NEIGHBORHOOD COYOTE PROGRAM

The Neighborhood Coyote Program serves as an avenue to address, educate, and report coyote interactions as well as safety issues caused by coyotes within the San Gabriel Valley. Through education and resourcing, we want to ensure the safety of residents and pets. The Neighborhood Coyote Program provides various methods to report coyote encounters as well as tips and information to promote coyote safety.

The Neighborhood Coyote Program provides various methods to report coyote encounters as well as tips and information to promote coyote safety.

The Neighborhood Coyote Program provides the following
services:

- Hotline Access
- Reporting Tools
- Referrals to Resources
- Pet Safety Planning
- Crisis Intervention
- Workshops and Training

MONTH AT GLANCE

During the month of December, the Neighborhood Coyote Program continued to document reports and share relevant information to residents who reported coyote activity in their neighborhoods.

Overall, coyote reports were down this month, but that is normal during this time of year.

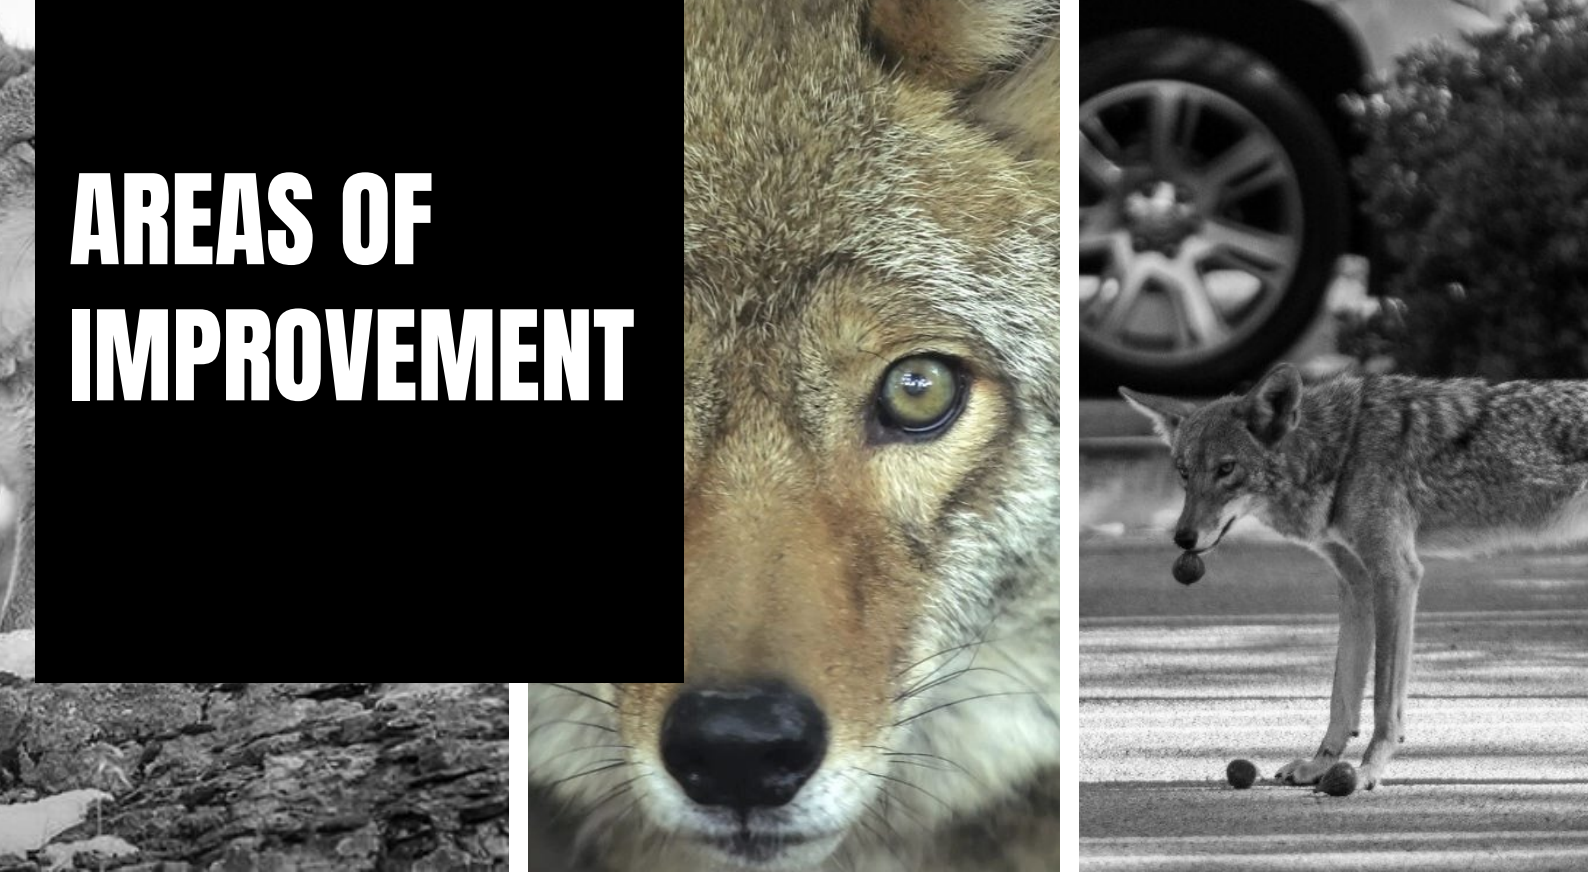
As a reminder, we also have our new mascot Kyle E. Coyote available for events, and we are happy to provide coyote safety presentations to anyone who is interested.

MONTHLY TOTALS AND RESPONSE LEVELS

Within the City of Rosemead, there were 3 reports of coyote interactions for the month of December. Two reports were classified as Response Level 1. Response Level 1 includes the hearing or sighting of coyotes. One report was classified as Response Level 2. Response Level 2 includes coyotes entering a yard with or without pets present. There were 9 coyotes reportedly seen in the City of Rosemead. We reviewed all reports made online via Coyote Cacher, the Neighborhood Coyote reporting form, and by phone.

Please find the report map at the end of the document.

AREAS OF IMPROVEMENT



Please be sure to follow us on Twitter (@SGVCOGCoyotes), Instagram (@SGVCOGCoyotes), and Facebook (@SGVCOGNeighborhoodCoyote)! We will be posting seasonally relevant coyote safety information throughout the year.

We are also placing special emphasis on community events! If you have any in mind or can connect us with homeowner's associations, Kiwanis Club, schools or any other organizations, we would greatly appreciate the assistance. We also have our new mascot Kyle E. Coyote who can make an appearance!

Please note that we have Coyote Safety Coloring Books and brochures available for residents in English, Spanish and Chinese. If you would like to distribute these to your community or display them in a public lobby, please contact us to coordinate.

Finally, don't forget to include information about the Neighborhood Coyote Program on your website, in social media posts, and in newsletters to ensure residents know how to report coyote sightings to us. The three main methods are:

- Online: sgvcog.org/coyotereporting
- Coyote Hotline: (626) 278-8039
- Email: coyotes@sgvcog.org
